

English Communication 1 Final Test (2022 S1)

Activity 1 – Record a video with PPT

Choose **one** of the statements and give your opinion in detail.

1. Is it better to be a rocket scientist or a brain surgeon?
2. What world record would you like to break and why? (**Do not** use world's richest person)
3. The average person would be happier with less technology in their life.
4. Investing time and money to go to space is a good use of our resources.
5. A city is a healthy place for people to live.
6. Flying cars will improve our society.

Record a video of your response

- Answer **one** question
- Video length = **around 3 minutes and 30 seconds**
- Decide how you will present your work using PowerPoint or a similar presentation program (5 slides = 1 title slide, 3 slides with your supporting ideas, 1 conclusion slide)
- Make good eye contact (look at the camera – don't read your answer from a script)
- Explain your ideas in detail and use examples to support your opinion
- Try to make your work look good (Think about pictures, colors, use of space, etc.)
- Look at my comments from the midterm – try to improve your work

How to record your video

- Record your video in MP4 format only
- Name your video file correctly – EC1 202212234 Hong Gil-dong
- Upload your video to cyber.sangji.ac.kr – Week 16

Deadline

- The final test begins on Wed June 15th and ends on Tuesday June 21st 23:55 (11:55pm)
- Don't wait until the end – there might be problems
- I will accept late work (up to two days late) but 10% will be deducted for each day late (**June 21st at 11.56 = late**)

How I will grade your midterm (next page)

English Communication 1 Final Video Rubric (2022 S1)

Topic and Weighting	0	1	2	3	Total
Organization and Structure (2)	Not possible to understand due to absence of structure	Difficult to follow presentation due to erratic topic shifts and jumps	Most information is presented in logical order which is easy to follow	All information is presented in a logical, interesting sequence, which is easily followed	/6
